EDUCATION

B.F.A. Modeling for Animation and VFX

Academy of Art University

September 2008 – May 2012

San Francisco, CA

EXPERIENCE

Senior Technical Artist, Intrepid Studios

July 2025 – February 2026 | Remote, San Diego, CA

- Created tools for auditing and batching character and environment art within Unreal.
- Maintained character pipeline tools for Maya and Unreal.
- Documented traces to define specifications for performance and visuals.
- Built a world-scale event using PCG that changed multiple biomes at runtime.

Senior Technical Artist, Player First Games

August 2022 – May 2025 | Remote, San Diego, CA

- Implemented reward displays and UI transitions for Battle Pass and frontend UI.
- Built pipelines and tools for artists while validating assets.
- Automated the creation of character icons and their implementation in Unreal.
- Established character material PBR best practices and created character lighting setups.
- Represented Tech Art in daily leads and triage meetings.

Senior Character Technical Artist, Sony Interactive Entertainment

October 2018 – August 2022 | San Diego, CA

- Built and supported pipelines for artists across multiple disciplines and studios.
- Spearheaded a proprietary Character Builder that automated character creation, rigging, skinning, scene validation, game data creation and management, plus task and asset tracking.
- Provided direction to tech artists, led standups, and reviewed code.
- Worked as a Sr. Character Artist from October 2018 – December 2020.
- Reviewed outsourced art and artist work.

Character Artist, Sledgehammer Games

January 2016 – October 2018 | Foster City, CA

- Developed pipeline tools and documentation aiding artists in asset creation.
- Created materials and templates used by the team.
- Collaborated with engineers to create tools for asset creation.
- Mentored artists and contributed to pipeline discussions.

3D Modeling Consultant, Emotive Inc.

September 2014 – November 2015 | Hanoi, Vietnam / Portland, OR

- Supervised and trained a team of 3D artists.

3D Artist, Massive Black

February 2012 – March 2014 | San Francisco, CA

- Modeled and rendered character, prop, and environment assets.
- Managed a team of 11 remote artists.
